CERAMIC COATING PRODUCTS

Professional surface protection

C9 GRAPHENE

Graphene Ceramic Coating

A professional graphene ceramic coating for painted bodywork, wheels and metal surfaces. Provides water and oil repellency, UV and chemical protection, gloss and easy cleaning. Apply to a clean, dry surface; avoid water contact for 24 hours.

30 ml

C9 PREMIUM

Premium Ceramic Coating

A professional ceramic coating for vehicle surfaces. Provides water and oil repellency, UV and chemical protection, gloss and easy cleaning. Apply after polishing and surface cleaning.

30 ml

C9 PLUS+

Ceramic Coating

A nano ceramic coating for bodywork, wheels, engines, plastics, metal and headlights. Delays soiling, adds gloss and makes treated surfaces easier to clean.

50 ml

C9 NANO

Nano Ceramic Coating

A professional nano ceramic coating for vehicle surfaces. Its water and oil repellency, UV and chemical protection help preserve the surface appearance and make cleaning easier.

50 ml

C9 METAL SHIELD

Ceramic Coating for Metal

A professional ceramic coating for metal surfaces. The protective layer provides water and oil repellency, UV and chemical protection, gloss and easy cleaning.

50 ml

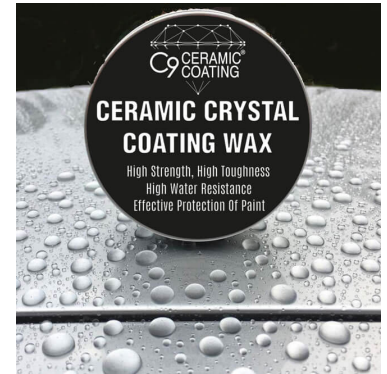

C9 GLASS SHIELD

Ceramic Coating for Glass

A nano ceramic coating for glass and headlights. Provides water and oil repellency and delays soiling. Apply evenly to clean, dry glass; avoid water contact for 24 hours.

50 ml

C9 CERAMIC CRYSTAL WAX

Ceramic Crystal Paint Protection

A ceramic crystal coating wax for painted bodywork. Provides water and oil repellency, resistance to dirt and stains, easy cleaning, and UV and chemical protection.

Extra-Strong Concentrated Wash & Wax
PREMIUM SHAMPOO
Extra-Wax Concentrated Shampoo
LUX SHAMPOO
Concentrated Wash & Wax Shampoo
ECO SHAMPOO
Concentrated Wash Shampoo

POWER SHAMPOO

Extra-Strong Concentrated Wash & Wax Shampoo

Effectively dissolves and removes dirt from the vehicle. Water-activated waxes and polymers bond to the painted surface through water, adding extra gloss and vibrancy. The layer formed on the vehicle maintains a long-lasting shine.

PREMIUM SHAMPOO

Extra-Wax Concentrated Shampoo

Effectively dissolves and removes dirt from the vehicle. Water-activated waxes and polymers bond to the painted surface through water, adding extra gloss and vibrancy. The layer formed on the vehicle maintains a long-lasting shine.

LUX SHAMPOO

Concentrated Wash & Wax Shampoo

Effectively dissolves and removes dirt from the vehicle. Water-activated waxes and polymers bond to the painted surface, adding gloss and vibrancy. The layer formed on the vehicle maintains a long-lasting shine.

ECO SHAMPOO

Concentrated Wash Shampoo

Effectively dissolves and removes dirt. As it cleans, it forms a protective layer that makes it harder for dirt to adhere again. It does not harm the paint and helps maintain lasting gloss with regular use.

WASH SHAMPOOS

Car wash and tunnel wash systems

EXO SHAMPOO

Brushless Concentrated Wash Shampoo

A high-foaming concentrated shampoo that dissolves dirt on the exterior without a brush or sponge. Water-activated waxes and polymers give painted surfaces gloss and vibrancy.

5 KG

GOLD SHINE STRONG

Car Wash Shampoo

A car wash shampoo in the Gold Shine range.

5 KG

NOTRcoat

pH-Neutral Car Wash Shampoo

A pH-neutral shampoo developed for vehicle washing.

5 KG

TUNNEL WASH SHAMPOOS

Carwax CW range

CW10 TOUCH-FREE

Concentrated Brushless Wash Shampoo

A high-foaming concentrated wash shampoo with extra wax. Compatible with automatic wash tunnels, dosing systems, pressurised foam tanks and coin-operated foam machines.

CW17 Q-JET

Jet Shampoo for Brush Wash Machines

A jet wash shampoo for car wash machines with brushes.

CW18 JET SHAMPOO

Shampoo for Self-Service Stations

A concentrated shampoo developed for self-service wash stations. Dissolves dirt and produces foam during pre-washing. Suitable for dosing machines, injector systems and coin-operated foam equipment.

Litre

CERAMIC IRONCOAT

Premium Iron Fallout Remover

A premium product for removing iron fallout.

500 ml

IRON DUST REMOVER

Iron Fallout Remover

Developed to remove iron fallout. Available in professional and small pack sizes.

5 KG

500 ml

TYRE 007

Tyre & Plastic Shine

A tyre shine and protection product for all types of motor vehicle. Prevents cracking caused by environmental factors such as heat and cold. Its lasting effect helps keep tyres durable and long-lasting.

20 KG 5 KG 0,5 Litre

TYRE JEL

Tyre Shine Gel

Easy to use and economical. Its thick consistency prevents it from spreading onto wheels and makes cleaning easy. It can be diluted at an appropriate ratio. The visible effect lasts a long time.

20 KG 5 KG 0,5 Litre

PROTECT TYRE CARE

Extra Tyre Shine & Protection

A tyre shine and protective gel favoured by car enthusiasts for its appearance and performance. Its special formula keeps tyres shiny for a long time.

20 KG 5 KG 0,5 Litre

TYRE 007 PREMIUM

Premium Tyre Shine & Protection

The premium formula in the Tyre 007 range for tyre shine and protection.

TRIMCOAT

Exterior Trim Shine & Protection

A care product for exterior trim, plastic and Bakelite surfaces. Available in professional and small pack sizes.

5 KG

500 ml

NANO EXPRESS SHINE

Nanotechnology Wet Wax

A practical, easy and effective way to protect the treated surface. Applied by spraying and rinsing, it forms a layer that significantly delays water and dirt adhesion and makes cleaning easier.

20 KG 5 KG 0,5 Litre

SURFACE CLEANER

Surface Cleaner

Removes chemical residues from vehicle exteriors, including compound and polish residues. Prepares the surface for a protective coating.

20 KG 5 KG

MAGIC TOUCH

Quick Wax

The quickest way to give your vehicle a showroom shine. Adds extra gloss along with a strong water-repellent effect and surface slickness.

20 KG 5 KG

LEATHER PROTECT Leather Protection
CARPET-CLOTH CLEANER Carpet & Upholstery
Cleaner

ALL PURPOSE CLEANER

Multi-Purpose General Cleaner

APC is a powerful general cleaner for both interior and exterior vehicle surfaces. Very effective at removing dust and dirt from all types of upholstery and trim. Its orange fragrance leaves a pleasant scent during application.

20 KG

5 KG

0,5
Litre

FABRIC PROTECT

Fabric Protection

This protective liquid coats the capillaries of fabric fibres. It prevents spilled liquids from penetrating the fibres and, through its antistatic properties, keeps liquid beaded on the surface to prevent staining.

20 KG

5 KG

LEATHER PROTECT

Leather Protection

Leather, vinyl and plastics have microscopic pores. This antistatic product prevents dust and dirt from settling into them, protects against UV rays and nourishes leather upholstery to prevent cracking.

20 KG

5 KG

20 KG

5 KG

0,5 Litre

MIRACLE PROTECT

Vinyl, Plastic & Bakelite Protection

Protects all vinyl, plastic and Bakelite surfaces. Its antistatic properties help prevent dust and dirt from settling into microscopic pores, protect against UV rays and prevent cracking.

LEATHER CLEANER

Leather Cleaner

LEATHER CLEANER

Leather Cleaner

Removes dust and dirt from leather, upholstery and trim. Restores the original appearance and softness of leather and helps maintain a clean, well-cared-for finish.
